

BRENTWOOD STATION to THORNDON PARK, route CB01

There are 2 routes leaving the station depending on which platform you arrive on.

If arriving on platform 4, take the route North of the station.

1. As you leave the station at the lower level (platform 4), turn right (heading east), follow Alexandra Rd. (one way road), this heads up hill and leads on to Rose Valley Rd.,

Look out for the purple Cycle Brentwood Waymarkers at junctions.

2. Continue up Rose Valley and turn right into Cornsland Rd. (0.28km/0.13mls). Go up Cornsland Rd., the road changes to a path through a wooded area (0.46km/0.29mls) and changes back to road again, continue along Cornsland Rd. until the end and the junction with Seven Arches Rd.
3. Turn right on Seven Arches Rd. (heading south) (0.9km/0.56mls),

This is a busy road, parents with children are recommended to push their bikes along the pavement over the railway bridge and stay on the pavement until the zebra crossing where it is safe to cross into King Georges Park.

4. Cyclists, look for the turning on the left in to King Georges Park, Car Park (1.1km/0.69mls), turn left and ride through the car Park, taking care to look out for vehicles. Take the shared cycle path leaving the car park and go past the skate park (RH side).

5. At the 'T' junction with the other cycle path (0.86mls), go straight over (looking out for pedestrians and other cyclists), go down the grass bank (by the side of the crazy golf on the left) and on to the path leading in to the woods and over the little bridge.

If arriving on platform 2 or 3, take the route South of the station.

6. As you leave the station main entrance on Kings Rd. (at the higher road level), turn left (south), over the railway bridge (this is a busy road, please take care!) and turn left in to Myrtle Rd.

Parents with Children are recommended to push their bikes along the pavement over the railway bridge to get to Myrtle Rd.

Look out for the purple Cycle Brentwood Waymarkers at junctions.

7. Follow Myrtle Rd. (one way road), this heads up hill and leads on to Warley Mount Rd., turn left at the cross roads on to Headley Chase (0.34km/0.21mls)
8. Turn left on to Mount Crescent Rd. (0.45km/0.28mls)
9. Follow Mount Crescent Rd. (up hill) to the 'T' junction and turn right on to Hartswood Rd. (this is a busy road, please take care) (1.06km/0.66mls).
10. Turn immediately left in to King Georges Park on the shared cycle path (1.1km/0.69mls).

Parents with children are recommended to dismount and use the zebra crossing where it is safe to cross in to King Georges Park!

On the shared cycle path, go past the childrens play ground on the right and turn right you now meet up with the North route at no.5 above.

Both routes

Using the map below, follow the path through the woods looking out for Cycle Brentwood Waymarkers on posts at junctions. You will also see permissive bridleway signs, please allow plenty of space for horse riders and let them know (politely) if you are behind them.

11. The bridleway will come to Eagle Way Rd. where there is a wooden barrier and it is safe to cross (2.7km/1.68mls south route, 2.8km/1.74mls North route), there are signs for Thorndon Park.

This is a busy road, please take care, you are recommended to dismount and push your bikes across the road.

12. Cross over and turn left and follow the signs to Thorndon Park, you will see the white Gate Houses at the road entrance to Thorndon, please take care and cross the entrance road, ride on the left until you come to the 1st car park and visitor centre on the right.
